I crawled toward the kitchen, dragging the weight of my head with me. "Amanda, what."..Today the sustenance that our industries crave is not oil, but minerals. Fifty years from now our understanding of controlled-fusion processes will probably have eliminated that source of shortages too, but in the meantime shorter sighted political considerations are recreating the climate of tension and rivalry that hinged around the oil issue at the close of the last century. Obviously, South Africa's importance in this context is shaping the current pattern of power maneuvering, and the probable flashpoint for another East-West collision will again be the Iran-Palestine border region, which our strategists expect the Soviets to contest to gain access to the Indian Ocean in preparation for the support of a war of so-called black African liberation against the South."..find someone to talk to. It is a basic human need, after all. Perhaps the basic need. I had no choice.".."What about me?" cried Amos. "How do I get home?""..8-C.
