So I began to search. The first person I met was the thin grey man, and with him was his large black trunk in which, he said, was his nearest and dearest friend. He said if I would work for him and carry his trunk, he would pay me a great deal of money with which I could buy a ship and continue my search. He told me that he himself would very much like to see a woman worthy of a prince. 'Especially,' he said, 'such a colorful prince as you.' I carried his trunk for many months, and at last he paid me a great deal of money with which I bought a ship. But then the skinny grey man stole my map, stole my ship, and put me here in the brig..change places with Ben. With my old buddy to talk to, time went by fast.."Then how do you explain your extraordinary conclusions?".."I have just been given the ultimate garbage presentation," he said. "Your boys should know better than to try to snow me about naval-training games."..across the Detweiler boy's back. "It's Amos!" cried Hidalgo, running from behind the counter.. "That's right," said Jack. "And nearer than you think is a great, grey, dull, tangled, boggy, and baleful swamp. The first piece is at the bottom of a luminous pool in the center. But it is so grey there that the grey man would blend completely in with the scenery and never get out again. Up this one is a mountain so high that the North Wind lives in a cave there. The second piece of the mirror is on the highest peak of that mountain. It is so windy there, and the grey man is so thin, he would be blown away before he was halfway to the top. Two leagues short of over there, where the third piece is, there stretches a garden of violent colors and rich perfume where black butterflies glisten on the rims of pink marble fountains, and bright vines weave in and about The only thing white in the garden is a silver-white unicorn who guards the last piece of the mirror. Perhaps the grey man could get that piece himself, but he will not want to, I know, for lots of bright colors give him a headache.". The list went on and on, all the way back to Thursday, the 7th. On that day was another. Limericks incorporating an sf title into the last line. Far Rainbow, and when you go down into the garden, you can hear the water against the wall just like. By the end of the day I still thought it had been a good idea, though my feet ached from following her through what had to be every shop in Gateside before Amanda found a gift she thought worthy of her father. I requested a window table at the Beta Cygnus, where we could get some coffee and rest while we watched cafe patrons and people in the street outside.. "You must show how clever you are," said Lea. "When I was free of this mirror, my teacher, in order. It was too early to drop around, and so I ate breakfast, hoping this was one of the times Detweiler stuck around for more than three days. Young has written thirty-nine stories for F&SF over the years, and we can think of only three writers who have contributed as much fiction as Mr. Young (Poul Andersen, A warn Davidson, and Ron Goulart). A Robert Young story is always a pleasure because its high quality is as predictable as its subject matter is unpredictable. Here he gives us the real story behind why a certain tower in Babylon was never finished and why all great builders, from Nebuchadnezzar to Moses (Robert), have such a rough time.. "Look at it, Matt. Really look at it." So he did, feeling foolish, wondering what the joke was. He noticed a white patch near the top of the largest globe. It was streaked, like a glass marble with swirls of opaque material hi it. It looked very familiar, he realized, with the hair on the back of his neck starting to stand up.. "Why is that?". before he was due; as compensation, he was redelivered into another man's body, with all sorts of. Samuel R. (Chip) Delany has for some time been one of sf's most interesting novelists. "Did he and Maurice have sex together?". 222. "A Mr. Bloomfeld called. He wants you to get the goods on Mrs. Bloomfeld so he can sue for." "On what did you base your analysis of the situational display, Sergeant?" Sirocco asked, speaking in a clipped, high-pitched voice mimicking the formal tones of Colonel Wesserman, who was General Portney's aide. He injected a note of suspicion and accusation into the voice. "Was Corporal Swyley instrumental in the formulation of your tactical evaluation?" The question was bound to arise; the image analysis routines run at Brigade would have yielded nothing to justify the attack.. "Thank you very much," said Amos and hurried off to the wheel-house. When he found the second. "Hello, can you hear me now?". Invasion of the Body Snatchers is the first "litle" '50s s/f film to have the honor of a remake (or at least an acknowledged one). They should have left well enough alone in this case. Color instead of b&w, a big city for the claustrophobic small town, and six chases for every one in the original did not make it better, just bigger.. another prototype. As a lover of variations on a theme, though, Fm usually intrigued when a producer decides to use exactly the same property that has been made into a movie before. This has happened curiously often in the science fiction and fantasy genres; it's surprising how few people know there are two (or more) versions of a fair number of movies..
