They were all over Aventine, from a few apartments down near the shopping square to cabins in the woods and along the shores of both the Lunamere and Heliomere. I explained the choices to Amanda as I handed her into the runabout and unplugged the car from its charger. The Lunamere's main attraction in winter was that it froze over, making sixteen kilometers of ice for skating. The Heliomere was fed by hot springs and, at thirty-five degrees C, was suitable for year-round swimming..supposedly humorous complications.
