ever more names, but using their knowledge for nothing. Others hide their ambition under the grey. The next day she said, "I'm going to sit under the trees." Not sure what was expected of him, he followed her at a distance till they came to the inmost part of the Grove where all the trees were of the same kind, nameless yet each with its own name. When she sat down on the soft leaf mold between the roots of a big old tree, he found himself a place not far away to sit; and as she watched and listened and was still, he watched and listened and was still. So they did for several days. Then one morning, in rebellious mood, he stayed by the stream while Ember walked into the Grove. She did not look back..you safe. And so we parted with no Archmage chosen..The dragons offered no threat during this period, and the Kargs had withdrawn into their own internal quarrels, but the disintegration of the society of the Archipelago worsened as the years went on. Moral and intellectual continuity lay only in the knowledge and teaching of The Creation and the other myths and hero-stories, and in the preservation of crafts and skills: among them the art magic used for right ends..The takeoff came unexpectedly. There was no change at all in gravity, no sound reached. I should have a place to stay,. where the lorebooks and wordbooks were, or asleep. Hemlock was a stickler for early abed and early. "Every spell depends on every other spell," said Highdrake. "Every motion of a single leaf moves. They came ashore in Ilien for water and food. Setting a host of many hundreds of men on its way so quickly had left little time for provisioning the ships. They overran the towns along the west shore of Ilien, taking what they wanted, and did the same on Vissti and Kamery, looting what they could and burning what they left. Then the great fleet turned west, heading for the one harbor of Roke Island, the Bay of Thwil. Early knew of the harbor from the maps in Havnor, and knew there was a high hill above it. As they came nearer, he took dragon form and soared

up high above his ships, leading them, gazing into the west for the sight of that hill..The dragons offered no threat during this period, and the Kargs had withdrawn into their own."I think what we have to do," he said without preamble, "is try to hold the fault from slipping.trembling, like a hound that wants to chase but cannot find the scent.
