Otter's own gift of magery had recognized that meaning as the true one. Gelluk had said the word also meant quicksilver, and Otter knew he was wrong.."I don't live in this House. In any house," the Patterner said. "I live there. The Grove - ah," he said, turning suddenly. The big, white-haired man, Kurremkarmerruk the Namer, was standing just down the path. A few days later she came down to the sands of Thwil Bay, where he was repairing a fishing boat. She helped him as she could, and asked about boat-building, and he told her and showed her what he could. It was a peaceful afternoon, but after it she went off in her abrupt way. He felt some awe of her; she was incalculable. He was amazed when, not long after, she said to him, "I'll be going to the Grove after the Long Dance. Come if you like."..Slavery was common to many of these states, and a stricter social caste system and gender differentiation ("division of labor") than in the Archipelago..He knew it was well to use caution with this man.
