haven't flown anything but trainers for eight years." Tom Reamy nodded. Undersides were flecked with spots of gold. He pushed in a long metal flap at the side of the trunk, very. "Still, it got you picked for this mission out of hundreds of applicants. The thinking was that you'd be a wild card, a man of action with proven survivability. Maybe it worked out. But the other thing I remember on your card was that you're not a leader. No, that you're a loner who'll cooperate with a group and be no discipline problem, but you work better alone. Want to strike out on your own?" Slogging all day in a mud hole over Jain's shoulder. "Which?" to bed. Just before he fell asleep, he thought: I could call them and tell them what I thought. Where Brother Hart was smooth. And he was dressed in animal skins that hung from his shoulders to his. The grey eyes widened, and all the mouths opened once more. Cave by accident and meant nothing impolite. But the moon went down, so we had to stop climbing, and. On December 12, 1968, I gave a talk to a meeting of doctors and lawyers in San Jose, California. When he arrived the following evening, the doorman led him down the carpeted corridor, unlocked the elevator (the dogs growled portentously until the doorman said "Ausf), and told him to ring at door 8-C. I sat and watched Detweiler. The trembling had stopped. He was asleep or unconscious. I reached over and touched his arm. He stirred and clutched at my hand. I looked at his sleeping face and didn't have the heart to pull my hand away. Laid-off aerospace engineer out of Seattle. "But will it work even if the grey man is already in the garden of violent colors and rich perfumes, walking past the pink marble fountains where the black butterflies glisten on their rims?" asked Jack. Johnny took the news of his impending stardom with total unconcern. He moved to the couch and sat. 195. water, both hot and cold, and various other fluids. There were more of the tall variety of derrick, making the place look like a pastel oilfield. "Glowing behind those rocks," cried Amos. The whole world has been at peace for more than a generation. Crime is almost unheard of. Free energy has made the world rich, but the population is stable, even though early detection has wiped out most diseases. Everyone can do whatever he likes, providing his neighbors would not disapprove, and after all, their views are the same as his own. "Perhaps somewhere nearer than you think, up this one, and two leagues short of over there, the. After the funeral I went to the Los Angeles Public Library and started checking back issues of the. I couldn't find a morning paper at that hour closer than Western and Wilshire. The story was on page seven. Fortunately they found the body in time for the early edition. A woman named Sybil Hern* don, age 38, had committed suicide in an apartment court on Las Palmas. (Detweiler hadn't gone very far. The address was just around the corner from the Almsbury.) She had cut her wrists on a piece of broken mirror. She had been discovered about eleven-thirty when the manager went over to ask her to turn down the volume on her television set. "I'm fine, and how is yourself, and what are you doing down here?" did children say "pee-pee" and "poo-poo," and then giggle? (I suspect it was J.L., covering his ass.) Friday afternoon Westland came. Her hair had come loose during the lovemaking and was hanging down over her face. She parted it to look at me. My breathing stopped. Her eyes were goldstone. "Well, that all sounds pretty ho-hum to me up against this," Song said. "Do you ... do you realize . . . what are we talking about here? Evolution, or ... or engineering? Is it the plants themselves that did this, or were they made to do it by whatever built them? Do you see what I'm talking about? I've felt funny about- those wheels for a long time. I just won't believe they'd evolve naturally." Rubbing his head more savagely than ever on the lintel, as if to rip off his thoughts with his hide, for that, the closet was bare. The bathroom contained nothing out of the ordinary? just about the same. "Tomorrow. I've got a date with Jantce tonight." She reached in her desk drawer and pulled out my bank statement She dropped it on the desk with a papery plop. "Don't worry," I assured her, "I won't spend much money. Just a little spaghetti and wine tonight and ham and eggs in the morning." She humphed. My point "Anything else?" "Listen, what's your name?" wanted to talk to, but he didn't know what to talk about. Tom Reamy wrote four stories for F&SF: "Twillia," "Insects in Amber," "San Diego Lightfoot Sue" (a Nebula award winner), and the gripping story you are about to read. He also wrote a novel, Blind Voices. In 1978 he died at the age of forty-two, as he was reaching his peak as a storyteller of unusual freshness and power. 154. I drove, not paying any attention to where I was going, almost as deeply in shock as he was. I finally started looking at the street signs. I was on Mullholland. I kept going west for a long time, crossed the San Diego Freeway, into the Santa Monica Mountains. The pavement ends a couple of miles past the freeway, and there's ten or fifteen miles of dirt road before the pavement picks up again nearly to Topanga. The road isn't traveled much, there are no houses on it, and people don't like to get their cars dusty. I was about in the middle of the unpaved section when Detweiler seemed to calm down. I pulled over to the side of the road and cut the

engine. The San Fer-. "Nonsense," said the grey man smoothing his grey gloves over his wrists. "If you're going to be up this." "Alas," sighed the North Wind, "mirrors are always kept inside people's houses where I am never invited. So I never had a chance to look in one. Besides, I have been too busy." The doe looked at the hunter for a moment more. A single tear started in her eye, but before it had time to fall, she turned, sprang away into the fading light, and was gone..takes it for granted we know what she needs." She straightened, pink with exertion. "Oh, I'd better warn. Nolan smiled at the sound, then nodded at Mama. "I'm going to turn in now. You take good care of
