She came back into herself, into the still air under the trees. The Hoary Man sat near her, his face bowed down, and she thought how slight and light he looked, how quiet and sorrowful. There was nothing to fear. There was no harm. "Oh, you are a pretty man," said the woman who had spoken first, laughing, as he held the red. "I'll get the water," Tern said. The food of dragons is said to be light, or fire; they kill in rage, to defend their young, or for sport, but never eat their kill. Since time immemorial, until the reign of Heru, they had used only the outmost isles of the West Reach-which may have been the easternmost borders of their own realm-for meeting and breeding, and had seldom even been seen by most of the islanders. Naturally irritable and arrogant, the dragons may have felt threatened by the increasing population and prosperity of the Inner Lands, which brought constant boat traffic even out in the West Reach. For whatever the reason, in those years they made increasing raids, sudden and random, on flocks and herds and villagers of the lonely western isles..The faintest little sighing tremor ran over the slow, smooth swells..into some kind of trouble, probably messing about with magic, and his mother had managed to growl, like a bear. Wishing to end the line of the Kargish kings but unwilling to risk sacrilege by shedding royal blood, the Godking ordered these children to be stranded on a desert island. Among her clothes and toys the princess Anthil had the half of the broken Ring brought by Erreth-Akbe, which had descended to her from Thoreg's daughter. As an old woman she gave this to the young wizard Ged, shipwrecked on her island. Later, with the help of the high priestess of the Tombs of Atuan, Arha-Tenar, Ged was able to rejoin the broken halves of the Ring and so remake the Rune of Peace. He and Tenar brought the healed Ring to Havnor, to await the heir of Morred and Serriadh, King Lebannen..All day he stayed near the Otter's House, keeping watch on Irian, making her eat a little with him. She came to the house, but when they had eaten she went back to her place on the streambank and sat there motionless. And he too felt a lethargy in his own body and mind, a stupidity, which he fought against but could not shake off. He thought of the Summoner's eyes, and then it was that he felt cold, cold through, though he was sitting in the full heat of the summer's day. We are ruled by the dead, he thought.
