Six to seven hundred years ago a sky-god religion began to spread across the islands, a development of the worship of the Twin Gods Atwah and Wuluah, originally heroes of a desert saga from Hur-at-Hur. A Sky Father was added as head of the pantheon, and a priestly caste developed to lead the rites. Without suppressing the worship of the Old Powers, the priests of the Twin Gods and the Sky Father began to professionalise religion, managing the rituals and festivals, building increasingly costly temples, and controlling public ceremonies such as marriages, funerals, and the installation of officials.. increasingly on wizards to fend off dragons and Kargish fleets. For the Summoner said we must meet again and choose an Archmage. The king had had no place among us, he said. And "a woman on Gont", whoever she may be, has no place among the men on Roke. Eh? The Windkey, the Chanter, the Changer, the Hand, say he is right. And as King Lebannen is one returned from death, fulfilling that prophecy, they say so will the Archmage be one returned from death. But we do not summon them, in spirit or in flesh, to come to us. Only the dead may we summon. Only the shadows. You can see why this must be. To summon a living man is to have entire power over him, body and mind. No one, no matter how strong or wise or great, can rightly own and use another.. even a briefcase or a package. The women, too. "He was my master. Would have been my friend, perhaps, if I'd stayed on Roke. Have wizards friends? No more than they have wives, or sons, some would say.... Once he said to me that in our trade it's a lucky man who finds someone to talk to. Keep that in mind. "Once in his lifetime, if he's lucky, a wizard finds somebody he can talk to." Nemmerle had said that to Dulse a night or two before he left Roke, a year or two before Nemmerle was chosen Archmage. He had been the Master Patterner and the kindest of all Dulse's teachers at the School. "The young men come to me and they say, "What good is it? Can you find gold?" they say. "Can you teach me how to make stones into diamonds? Can you give me a sword that will kill a dragon? He looked round at the girl, Dory. She did not return his gaze, watching her mother with stolid, sullen grief. Only after the woman sank into sleep did Dory move, going to help Rush, who as a friend and neighbor had

Quite early on, impatient with wooing her massive physical indifference, he had worked up a charm, a sorcerer's seduction-spell of which he was contemptuous even as he made it, though he knew it was effective. He cast it on her while she was, characteristically, mending a cow's halter. The result had not been the melting eagerness it had produced in girls he had used it on in Havnor and Thwil. Dragonfly had gradually become silent and sullen. She ceased asking her endless questions about Roke and did not answer when he spoke. When he very tentatively approached her, taking her hand, she struck him away with a blow to the head that left him dizzy. He saw her stand up and stride out of the stableyard without a word, the ugly hound she favoured trotting after her. It looked back at him with a grin. Tern left late that year on his journey. He had with him a boy of fifteen, Mote, a promising weatherworker who needed training at sea, and Sava, a woman of sixty who had come to Roke with him seven or eight years before. Sava had been one of the women of the Hand on the isle of Ark. Though she had no wizardly gifts at all, she knew so well how to get a group of people to trust one another and work together that she was honored as a wise woman on Ark, and now on Roke. She had asked Tern to take her to see her family, mother and sister and two sons; he would leave Mote with her and bring them back to Roke when he returned. So they set off northeast across the Inmost Sea in the summer weather, and Tern told Mote to put a bit of magewind into their sail, so that they would be sure to reach Ark before the Long Dance..capital of the Kargad Empire and treated with King Thoreg as its ruler.
