It was widely said that since the Ring of Peace was lost there could be no true king of Earthsea. Berry went and fetched his sister, after he had heard Sunbright's tale at the tavern, and San's version of it, and several other versions already current. In the best of them, Otak had towered up ten feet tall and struck Sunbright into a lump of coal with lightning, before foaming at the mouth, turning blue, and collapsing in a heap..He treasured her rustic sayings of that kind. Sometimes she frightened him, and he resented it. His dreams of her were never of her yielding to him, but of himself yielding to a fierce, destroying sweetness, sinking into an annihilating embrace, dreams in which she was something beyond comprehension and he was nothing at all. He woke from those dreams shaken and shamed. In daylight, when he saw her big, dirty hands, when she talked like a yokel, a simpleton, he regained his superiority. He only wished there were someone to repeat her sayings to, one of his old friends in the Great Port who would find them amusing. ""I have the cheese money,"" he repeated to himself, riding back to Westpool, and laughed. "I do indeed," he said aloud. The black mare nicked her ear.." summer ended too soon that year. Rain came early; snow fell in autumn even as far south as Roke. Storm followed storm, as if the winds had risen in rage against the tampering and meddling of the crafty men. Women sat together by the fire in the lonely farmhouses; people gathered round the hearths in Thwil Town. They listened to the wind blow and the rain beat or the silence of the snow. Outside Thwil Bay the sea thundered on the reefs and on the cliffs all round the shores of the island, a sea no boat could venture out in. IT WAS RAINING AGAIN, and the wizard of Re Albi was sorely tempted to make a weather spell, just a little, small spell, to send the rain on round the mountain. His bones ached. They ached for the sun to come out and shine through his flesh and dry them out. Of course he could say a pain spell, but all that would do was hide the ache for a while. There was no cure for what ailed him. Old bones need the sun. The wizard stood still in the doorway of his house, between the dark room and the rain-streaked open air, preventing himself from making a spell, and angry at himself for preventing himself and for having to be prevented..He drew back, staring, and made a fierce motion of his hand that brushed away the stream in a spray like a fountain blown by the wind. The gash in the earth grew deeper, revealing the ledge of mica. With a sharp rending crack the glittering stone split apart. Under it was darkness..with themselves, their life. They spent ten years together fighting the Kargs, whose occasional forays from the East had in recent times become a slave-taking, colonising invasion. Venway, Torheven and the Torikles, Spevy, Perregal, and parts of Gont were under Kargish dominion for a generation or longer. At Shelieth on Way, Erreth-Akbe worked a great magic against the Kargish forces, who had landed in "a thousand ships" on Waymarsh and were swarming across the mainland. Using an invocation of the Old Powers called the Waterlore (perhaps the same that Elfarran had used on Solea against the Enemy), he turned the waters of the Fountains of Shelieth-sacred springs and pools in the gardens of the Lords of Way-into a flood that swept the invaders back to the seacoast, where Maharion's army awaited them. They were both shivering, their teeth chattering. They stood face to face in the black lane, hardly able to see where the other was. Dragonfly put out her groping hand and met the witch's hand. They put their arms round each other in a fierce, long embrace. Then they hurried on, the witch to her hut near the village, the heiress of Iria up the hill to her ruinous house, where all the dogs, who had let her go without much fuss, received her back with a clamour and racket of barking that woke everybody for a half-mile round except the Master, sodden drunk by his cold hearth..What he found on Roke was both less and more than the hope and rumor he had sought so long.
