His voice is like a sword coming out of its scabbard, an angry, menacing, deadly metal-on-metal rasp. "You take us to these God-damned Sreen of yours and let us talk to them."..It was painful to leave the mystery for later, but there was nothing to be done about it. They could not bring themselves to uproot the thing, even when five more like it sprouted in the graveyard. There was a new consensus among them to leave the Martian plants and animals alone. Like nervous atheists, most of them didn't believe Song's theories but had an uneasy feeling of trespassing when they went through the gardens. They felt subconsciously that it might be better to leave them alone in case they turned out to be private property..blood from all over their faces as they fought to get into their pressure suits.
