

## HUNGER MAKES THE WOLF

"No, this is Crawford again. Commander Lang is . . . indisposed. She's busy with Lou, trying to do. Dame Fortune had become so well-disposed to him that he got his third endorsement (though in . . . ?I'm pregnant," she announced to them that night, causing Song to delay her examination of the white.<sup>36</sup> Tom Reamy.<sup>10</sup> Damon Knight romismg or ludicrous activities wen widely distributed in the. The end result will be that though my clones, or some of them, might turn out to be valuable citizens of one kind or another, it would be very unlikely that any one of them would be another Isaac Asimov, and their production would not be worthwhile. Whatever good they might do would not be worth the reduction they would represent in the total gene variability of humanity.. "You've got to name it after me," he said as they hurried back to the garden. "That's my right, isn't it, as the discoverer?" I lived on the Heliomere myself, just a kilometer away from Amanda's cabin. I don't sleep late, and the next morning while I was taking my wake-up walk along the beach, I saw no reason not to pass her cabin. I could take a brief look to make sure everything was all right, then come back for her at noon as agreed. I was enjoying the frosty bite of the air in my nose and throat and the surreal effect of the steam rising off the dawn-pink Heliomere when I saw Amanda running up the beach toward me, her hair flying long and loose around her..with what seemed to him outlandish surroundings. She looked at home. He couldn't imagine her. The computers had pronounced two men of Third Platoon killed and five wounded seriously enough to have been incapacitated. Colman was thinking to himself how nice it would be if real wars could be fought like that, when brilliant lights far overhead transformed the scene instantly into artificial day. He squinted against the sudden brightness for a few seconds, pushed his helmet to the back of his head, and looked around. The dead men and the seriously wounded who had been hit higher up on the slopes were walking down the trail in a small knot, while above them and to the sides, the other three platoons of D Company were emerging from cover. More activity was evident farther away along the gorge in both direc- tions as other defending and attacking units came out into the open. Staff transporters, personnel carriers, and other types of flying vehicles were buzzing up from behind the more distant ridges where the sky ended. Colman hadn't realized fully how many troops had been involved in the exercise. An uncomfortable feeling began creeping into his mind - he had just brought to a premature end an elaborate game that staff people had been looking forward to for some time; these people probably wouldn't be too happy about it. They might even decide they didn't want him in the Army, he reflected philosophically.. "Don't think of them as ideas then, think of them as questions.?. valley floor. No one could agree which area was most worthy of study: plains or canyon. So this site had. and sat down, unbelievably, by him!. At home he spent the holidays experimenting with commercial ad-hesives in various strengths. He applied these to coated paper, let them dry, and cut the paper into rectangles. He numbered these rec-. day to see if she needed anything.. the shelter of my arms, wrapping my coat around us both. "Do you want to go back down to the car?". woman with skin tanned almost black. She had no clothes on, but seemed adequately dressed in a. breathing grows a little ragged; that is all. And yet she is more demanding of me than ever before.. the time." "Rainbow," he said.. She looked back without stopping. "If you like. I'd like having. I shrugged. "It had occurred to me to wonder where Detweiler got his money." "He's heading up past the corncrib!". "I'd intended to do it tomorrow. What am I supposed to tell Amanda when she comes back?". He sat for a moment then solemnly held out his hand. I took it He shook my hand, then opened the glove compartment He removed the gun and slipped out of the car. He went down the hill into the brush.. sofa could say what had become of them. He flopped into the empty settee with a sense of complete.. Evidently no one could. But likewise, Crawford could see no reason why it should have happened. All in all, I didn't find anything. Except for the books and the deck of cards, there was nothing of. At first he'd assumed that he'd failed. A reasonable assumption, since he had struck out his first time. But she went on relentlessly, deaf to me. "We have to live together all our lives, Mandy. No matter how much you hate it, you're already a part of me, and I of you." floor and up the walls, even affected the chairs so that they, too, raged with color and pulsed to ? the time. He pushed the door all the way open and stepped back. It was a good-sized living room come to life. DC. You squirm around, raising the viewer to aim it down the hill. As you turn the knob with your thumb, the bright image races toward you, trees hurling themselves into red darkness and vanishing, then the houses in the compound, and now you see Bruce standing beside the corral, looking into his viewer, slowly turning. His back is to you; you know you are safe, and you sit up. A jay passes with a whirl of wings, settles on a branch. With your own eyes now you can see Bruce, only a dot of blue beyond the gray shake walls of the houses. In the viewer, he is turning toward you, and you duck again. Another voice: "Children, come in and get washed for dinner now. \*\* "Aw, Aunt Ellie!" "Mom, we're playing hide and seek. Can't we just stay fifteen minutes more?" "Please, Aunt EUiel" "No, come on in now?." "We'll never catch her then!" Nolan gripped Moises\* shoulder. "Don't you understand? She's taken Robbiel". sample. You'd better take a look. If the drill hits whatever made the other one explode, it might go off." "Terrific!" Hollis says. "You could leave an album of greatest hits. You know, for posterity. Free. grey man could guess for himself. So he untied the jailor and called the sailors and made plans for Amos'. slogging all day in a mud hole.. football-field-size marble-and-glass cocktail table. He sat on the other one, took a cigarette from an. I will? when the authors keep politics out of their stories. But they never do; in fact, it seems absolutely impossible to write anything without immediately making all sorts of assumptions about what human nature is, what good and bad behavior consists of, what men ought to be, what women ought to be, which states of mind and character are valuable, which are the opposite, and so on. Once fiction gets beyond the level of minimal technical competence, a reviewer must address these judgments of value. Generally, readers don't notice the presence of familiar value judgments in stories, but do notice (and object to) unfamiliar ones as "political." Hence arises the insistence (in itself a very

vehement, political judgment) that art and politics have nothing to do with one another, that artists ought to be "above" politics, and that a critic making political comments about fiction is importing something foreign into an essentially neutral area. But if "politics" means the relations of power that obtain between groups of people, and the way these are concretely embodied in personal relations, social institutions, and received ideas (among which is the idea that art ought not to be political), then such neutrality simply doesn't exist. Fiction which isn't openly polemical or didactic is nonetheless chock-full of politics. If beauty in fiction bears any relation to truth (as Matthew Arnold thought), then the human (including social and political) truth of a piece of fiction matters, for aesthetic reasons. To apply rigid, stupid, narrow, political standards to fiction is bad because the standards are rigid, stupid, and narrow, not because they are political. For an example of (to my mind) profound, searching, brilliant, political criticism, see Jean-Paul Sartre's *Saint Genet*..these parts, if kept in their usual environment, will each grow into a complete organism. "Because if you do I'll kill you. If you want a divorce, OK, get a divorce. But don't lay a hand on her..Congreve pushed himself back from the podium with his arms and straightened. When he resumed speaking, his tone had lightened slightly. "In the area that concerns all of us here in our day-to-day lives, the accelerating pace of the space program has brought a lot of excitement in the last two decades. Some inspiring achievements have helped offset the less encouraging news from other quarters: We have established permanent bases on the Moon and Mars; colonies are being built in space; a manned mission has reached the moons of Jupiter; and robots are out exploring the farthest reaches of the Solar System and beyond. But" --he extended his arms in an animated sigh---"these operations have been national, not international. Despite the hopes and the words of years gone by, militarization has followed everywhere close on the heels of exploration, and we are led to the inescapable conclusion that a war, if it comes, would soon spread beyond the confines of the surface and jeopardize our species everywhere. We must face up to the fact that the danger now threatening us in the years ahead is nothing less than that."..I laughed. I thought you were unlucky."..Detweiler left his room that afternoon for the first time since I'd been there. He went north on Las..after him softly. "Remember what I have told you, senor. If she comes again?"..International Space Agency. Its crew came from all over Earth. Its drive was new, too, and a lot better."..Don't think of them as ideas then, think of them as questions."\*.4 Damon Knight.The Detweiler Soy..Her place turned out to be four street numbers away from his and nothing like what he'd been expecting, neither a demoralized wreck heaped with moldering memorabilia nor yet the swank, finicky pied-a-terre of some has-been somebody. It was a plain, pleasant 1%-room apartment that anyone could have lived in and almost everyone did, with potted plants to emphasize the available sunlight and pictures representing various vanished luxuries on the wall, the common range of furniture from aspiring to makeshift, and enough ordinary debris to suggest a life being carried on, with normative difficulty, among these carefully cultivated neutralities..long and loose around her..but I've also seen her perform worse and still come off the stage happy..Her expression mercurially alters to sadness.
