Her whole body convulsed with the effort to tear loose. Selene held on. Slowly, Selene twisted the wrist back and down while the poly around them swirled in wave after wave of color pulsating with every labored breath of the struggling body. The maelstrom spread out across the floor and up the walls, even affected the chairs so that they, too, raged with color and pulsed to ? the time of Amanda's breathing..Smith got his consignment of Ozos early in the week, took one home and left it to his store manager to put a price on the rest He did not bother to use the production model but began at once to build another prototype. I felt more like a son.Four black bearers had appeared, bearing a long black palanquin. They proceeded to set it down directly before the gate. I knew from its length that here was no ordinary wealthy merchant, but I was unprepared for the personage who presently stepped out and stood gazing at the Project with black blazing eyes. Those eyes burned right through Ike and Eli and Dan and me, as though we weren't even there, then swept upward, absorbing the entire Project with a single glance. It dawned on me finally, as I took in the small gold crown nestled in the black ringleted hair, the flared eyebrows, the fierce nostrils and the defiant jaw, that I was looking at the King..Jain goes into her final number. The site had been chosen because it was a smooth area, allowing easy access up a gentle slope to the flat plains of the Tharsis Plateau, while at the same time only a kilometer from the valley floor. No one could agree which area was most worthy of study: plains or canyon. So this site had been chosen as a compromise. What it meant was that the exploring parties had to either climb up or go down, because there wasn't a damn thing worth seeing near the camp. Even the exposed layering and its areological records could not be seen without a half-kilometer crawler ride up to the point where Crawford had climbed to watch the sunrise.. "You take us in to talk to the Sreen," the captain tells them, "you take us in right now, do you hear me?" His voice is like a sword coming out of its scabbard, an angry, menacing, deadly metal-on-metal rasp. "You take us to these God-damned Sreen of yours and let us talk to them.".He said no more, but Amos felt very sorry for him. They went quickly now toward the center of the swamp.
