

JAJDA

"Ah," said Jack, "the second question is easy to answer, but the first is not so simple. I am a prisoner here because a skinny grey man stole a map from me and put me in the brig so I could not get it back from him. But why am I the Prince of the Far Rainbow? That is exactly the question asked me a year ago today by a wizard so great and so old and so terrible that you and I need never worry about him. I answered him, 'I am Prince because my father is King, and everyone knows I should be.' Then the wizard asked me, 'Why should you be Prince and not one of a dozen others? Are you fit to rule, can you judge fairly, can you resist temptation?' I had no idea what he meant, and again I answered, 'I am Prince because my father is King.' The wizard took a mirror and held it before me. 'What do you see?' he asked. 'I see myself, just as I should, the Prince of the Far Rainbow,' said I. Then the wizard grew furious and struck the mirror into three pieces and cried, 'Not until you look into this mirror whole again will you be Prince of the Far Rainbow, for a woman worthy of a prince is trapped behind the glass, and not till she is free can you rule in your own land.' There was an explosion, and when I woke up, I was without my crown, lying dressed as you see me now in a green meadow. In my pocket was a map that told me where all the pieces were hidden. Only it did not show me how to get back to the Far Rainbow. And still I do not know how to get home." .they loosed more.. "Go to the bathroom." .the Navy had done nothing wrong. He took from his pocket a strip of crimson cloth with orange design, went to the trunk and lowered it through a small round hole in the top. As the last of it dropped from sight, the thing in the box went: Mlpbgm!. A similar case is that of H. G. Wells's The Island of Dr. Moreau, filmed with superbly demonic atmosphere as Island of Lost Souls in 1932. Charles Laughton, maybe the best actor yet to appear on film, gives an extraordinary performance as Dr. M., and Bela Lugosi captures the spirit of the beast men as the Speaker of the Law with the abhuman quality that characterized his Dracula. Now Burt Lancaster is one of film's most underrated actors, but his straightforward non-intellectual approach to the doctor role undermined the '70s trip to the Island; Richard Basehart didn't help matters by looking like a beneficent Old Testament prophet in the Lugosi role. But even Laughton and Lugosi would have been hard put to come across, with the later film's completely uninteresting script and camerawork. dispute that.
