"What's the use of all this talk?" .Critics seem to find it necessary, at least once in a career, to write a statement defending criticism per se. Shaw, Pauline Kael, Eric Bent-ley, and James Blish have all done it. That I'm doing it too, doesn't prove I'm in the same league, but it does indicate the persistence of the issues involved and that they occur outside, as well as inside, science fiction..A bloody death occurred in Detweiler's general vicinity every thud day..I wasn't lucky enough to get number six or eight, but I did get five. He knew from long experience that whatever could make him palpably happier was also liable to send him into a state of fugue in which conversation in the linear sense became next to impossible. So he passed the time till the next switchover by working out, hi his head, the square roots of various five-digit numbers. Then, when he had a solution, he'd check it on his calculator. He'd got five right answers when his chair reared up, god bless it, and bore him off toward . . . Would it be the couple chained, wrist to wrist, on the blue settee? No, at the last moment, his chair veered left and settled down in front of an unoccupied bent-wood rocker. A sign in the seat of the rocker said: "I feel a little sick. Back in five minutes." .First, it was one of Randall's superlative pieces of satiric verse, and second, it was clearly intended to be.Examples of sf titles that have been retranslated back into English after appearing in a French history of ofs..Amanda screamed again. I tried to roll sideways but my body would not respond and I steeled myself for the second, almost surely fatal blow. But, instead, there was the thud of something dropping on the floor. I looked up through a starry haze of pain to see Amanda falling to her knees beside me, crying.."You should
