

## NARRATIVE GLOBAL POLITICS

hand down the smooth curves of a sonatrophic sculpture by Drummond Caspar. The trope leaned. Women don't understand about strikes, about how important it is for workers to show who they're working for that they mean business. It was Nina. "In religion, mostly. But she didn't care to talk about it, unless you agreed with her." (can university) totally lost its point here, since its chilling quality comes from the very ordinariness of the people involved, and the professor's wife of Weird Woman is given a childhood background of Caribbean voodoo. Much closer is the well-known version, Burn Witch, Bum, which has become a sort of minor classic. 6. "No, you can't! The baby?" .splicing a rope in the stem, two others lowering a triangular sail between the foremast and the bowsprit. .ABOUT TWO HUNDRED feet below the ridgeline, the Third Platoon of D Company had set up its Tactical Battle Station in a depression surrounded by interconnecting patches of sagebrush and scrub. A corner in a low rock wall sheltered it on two sides, a large boulder closed in the third, and a parapet of smaller, fiat rocks protected it from the front; a thermal shield stretched across the top hid the body heat of its occupants from the ever-vigilant sensors of hostile surveillance satellites. "It will work as long as the silver-white unicorn guards the fragment of the mirror," said Amos, "and. of paradise. A small, discrete, polished placard dangled in a wrought-iron frame proclaiming, ever so. While you are more familiar than I am with the personalities at Headquarters, I ?aspect that both of these. "Next to my father, you're the most dependable and trustworthy person I know." . "What about me?" cried Amos. "How do I get home?" .In the Hall of the Martian Kings 129. Amos and Jack climbed long and hard through the evening. When darkness fell, at first they thought they would have to stop, but the clear stars made a mist over the jagged rocks, and a little later the moon rose. After that it was much easier going. Shortly the wind began. First a breeze merely tugged at their collars. Then rougher gusts began to nip their fingers. At last buffets of wind flattened them against the rock one moment, then tried to jerk them loose the next The rope was very useful indeed, and neither one complained. They simply went on climbing, steadily through the hours. Then, as though they'd been waiting for these preliminaries to be concluded, tears sprang to her eyes. A tremor of heartfelt emotion colored her lovely contralto voice as she said, "Oh Jesus, what am I going to do? I can't take any more! I am just so ... so goddamned wretched! Fd like to kill myself. No, that isn't true. I'm confused, Larry. But I know one thing? I am an angry woman and Fra going to start fighting back!" .He redesigned the whole device, built a prototype and tested it, tore it down, redesigned, built. His first elation fizzled out and he was left with his usual flattened sense of personal inconsequence. Now, months later, I remember it and my skin again goes warm. "Get oat of here," I say to the lads. "I'm trying to concentrate." They look irritated, but they leave. "Hello, Robbie?" .high.
