The first piece is at the bottom of a luminous pool in the center. But it is so grey there that the grey man would blend completely in with the scenery and never get out again. Up this one is a mountain so high that the North Wind lives in a cave there. The second piece of the mirror is on the highest peak of that mountain. It is so windy there, and the grey man is so thin, he would be blown away before he was halfway to the top. Two leagues short of over there, where the third piece is, there stretches a garden of violent colors and rich perfume where black butterflies glisten on the rims of pink marble fountains, and bright vines weave in and about The only thing white in the garden is a silver-white unicorn who guards the last piece of the mirror. Perhaps the grey man could get that piece himself, but he will not want to, I know, for lots of bright colors give him a headache."."I hadn't thought of it that way," Crawford admitted..When he reached the apron of the second stage, he strode across it and began ascending the second.And then Jain is there.
