"I said you have a strength in you, a great one," the witch said from the darkness. "And you know it too. What you are to do I don't know, nor do you. That's to find. But there's no such power as to name yourself." . Dragonfly stopped too. She said after a moment, "I'm sorry. But I feel like - I feel like you. So that my mind could move about among the years and centuries without getting things all out of. alliteration, stylised phrasing, and structuring by repetition are the principal poetic devices.. The fashion of the time among the nobility was to have a wizard in their service, a genuine wizard. Diamond's head and sang themselves over and over: knowledge, or-der, and contro-----..... He traveled far in the Archipelago, even out into the East Reach. He never went to the same town or island twice without years between, letting his trail grow cold. Even so he began to be spoken of. The Child Taker, they called him, a dreaded sorcerer who carried children to his island in the icy north and there sucked their blood. In villages on Way and Feikway they still tell children about the Child Taker, as an encouragement to distrust strangers.. The wind blew, the long grass nodded in the wind. Summer was getting on and the grass was dry now.. The early kings and queens of Enlad, among whose names are Lar Ashal, Dohun, Enashen, Timan, and Tagtar, gradually increased their sway till they proclaimed themselves rulers of Earthsea. Their reign extended no farther south than Ilien and did not include Felkway in the east, Paln and Semel in the west, or Osskil in the north, but they did send explorers out all over the Inmost Sea and into the Reaches. The most ancient maps of Earthsea, now in the archives of the palace in Havnor, were drawn in Berila about twelve hundred years ago.. Only the Doorkeeper answered. He said, "I think we should go to our House, and open its doors." . sorcerer, Alder had said. Not a wizard, not a mage. Only a curer, a cattle healer. I do not need. "Oh, they'll come for the glory," said the harper, a lean, long-jawed, wall-eyed fellow of forty. "Maybe you'll have a go with us yourself, then? You had a hand for it, before you took to making money. And the voice not bad, if you'd worked on it." . spells over land and sea that compelled men to her evil will, until the first Archmage came to. summer nights, She asked him where the food they ate came from; what the School did not supply for. After a while, deliberately, he re-entered the trap of spell-bonds, went back to his old place.. "Gully," he named himself after a pause, and she thought it was a name he had made up to call himself. It did not fit him. Nothing about him fit together, made a whole. Yet she felt no distrust of him. She was easy with him. He meant no harm to her. She thought there was kindness in him, the way he spoke of the animals. He would have a way with them, she thought. He was like an animal himself, a silent, damaged creature that needed protection but couldn't ask for it.. only to make love you brought me here, Ivory," she said, "we can do that.
