Havens, Maharion spoke a prophecy: "He shall inherit my throne who has crossed the dark land to Ged.) Intathin kept the other half of the broken Ring, and it "went into the dark"-that is, sunlight; and the first part of the Great House they made was its inmost heart, the courtyard of. Gelluk was standing still, but his shaking hands were clenched, his whole tall body twitching and trembling, like a hound that wants to chase but cannot find the scent. He was at a loss. There was the hillside with its grass and bushes in the last of the sunlight, but there was no entrance. Grass growing out of gravelly dirt; the seamless earth.. a girl, and a year younger than Diamond, and a witch's daughter. He wished his son would play with. I did not know where to look. "I could fly there as a tern and be back on the ship before daylight," he said to himself, but the Changer spoke against it at first, and then agreed. The mage said, "Majesty, as you know, my poor skill has not availed, but I have sent for the greatest healer of all Earthsea, who lives in far Narveduen, and when he comes, your highness will surely walk again, yes, and dance the Long Dance." Indeed, to Golden's amazement, Master Hemlock sent back a scrupulous two-fifths of the prenticing-fee. With the packet, which was delivered by one of Golden's carters who had taken a load of spars down to South Port, was a note for Diamond. It said, "True art requires a single heart." The direction on the outside was the Hardic rune for willow. He had not planned or intended any such adventure, but crazy as it was, it suited him better the more he thought about it. The prospect of spending the long grey winter at Westpool sank his spirits like a stone. There was nothing here for him except the girl Dragonfly, who had come to fill his thoughts. Her massive, innocent strength had defeated him absolutely so far, but he did what she pleased in order to have her do at last what he pleased, and the game, he thought, was worth playing. If she ran away with him, the game was as good as won. As for the joke of it, the notion of actually getting her into the School on Roke disguised as a man, there was little chance of pulling it off, but it pleased him as a gesture of disrespect to all
